JENNY BLIGHE

I'M ON FIRE

With auburn hair that looks like autumn leaves kissed by the sun, and legs as long as a pervert's rap sheet, Jenny's the next "big thing" in adult entertainment. "Don't say that! It puts too much pressure on me," Jenny says. "I'm just a simple girl who loves sex. If I can make people happy by getting naked and having sex, then it's a win-win situation for everyone." Hell yeah, Jenny! Speaking of pressure, our balls are bloated beyond belief.

Latina girls are always hungry for sex, especially when they have 36C all-natural breasts like pretty Pepper Foxxx. But sometimes Latina girls can get a bit jealous. "I know you've been cheating!" Pepper screams at Tony. "Take off your pants and let me smell your dick right now!" Tony complies and Pepper drops to her knees. Whatever Tony's cock smells like, it must make Pepper hungry because she gobbles it down and starts playing with pussy. This gives Tony time to wipe the residue of side pussy off his chin. Eatin' ain't cheatin'!

OFF THE RECORD

AH, IT'S THE PORN LIFE FOR ME

CHRISSY MARIE is really quite a piece of work. To look at her, even in these photos, you'd think her the perfect girl next door, just a little bit gussied up in lingerie. But what this pert little exterior is hides is a penchant for leather, gags, whips, and all that fun stuff found in a dungeon.

FOX: Good morning Chrissy, so very nice to meet you. Thank you for meeting me on such short notice. I know you have to leave soon, so let me get right into it. Are you a newbie to porn?

Chrissy: Yes, Hi right back at you. If you consider three years and less than fifty scenes a newbie.

FOX: What kind of scenes do you do? What will you do?

Chrissy: I am young and I am horny and I want to try everything sexual, I can't think of anything I won't do. So far I've been doing a lot of BDSM in addition to some relatively straight stuff.

FOX: Do you consider yourself bisexual?

Chrissy: Of course, I like sex with girls and I like sex with guys and sex with guys and girls together.

FOX: Why did you decide to get into adult entertainment? Making videos. How did you start?

Chrissy: Believe it or not, I knew some performers doing movies and they introduced me to the right people. It was a time that I had just ended a relationship and I was on my own. I said to myself, what do I want, a boring office or mall job, or to have lots of sex and make money doing it? It was a no-brainer, I chose sex and money.

CHRISSY MARIE

FOX: That's great for now, but what are your goals and dreams for the future?

Chrissy: I don't really know. I like what I'm doing and having a lot of fun with it. Ask me again in a year or so.

FOX: Not to get personal, but those shorts are pretty short. If you were to drop them, would I see panties under those tiny shorts?

Chrissy: No, not usually, maybe a thong if anything. Wanna see?

FOX: Uh, no, but thanks. What do you wear to sleep at night?

Chrissy: Rarely anything. Just skin on sheets. I love to feel the cool sheets against my naked body. If I'm with a partner, I'll wear some sexy lingerie, but you know that doesn't stay on long.

FOX: When you're not with a partner, may I ask if you masturbate yourself to fall asleep?

Chrissy: Yep, almost every night. There have been a few times that I actually fallen asleep with my vibrator in my pussy. I'd wake up, find it still in me, but the batteries had died. It's actually kinda funny, but you have to be there.

FOX: We wish we were. And if we were, we'd ask you what are some of your biggest turn ons?

Chrissy: I consider myself a bit of a cum lover. When I did my first threesome scene, I came without even touching my pussy. I love giving head and having the guy cum on my face or on my tits or anywhere else on my body. Especially when I'm bound and gagged. I love to fuck and to have my pussy eaten for a long time.

FOX: Have you ever had sex in public? If so, did you get caught?

Chrissy: I've done my share of the wild thing out

CHRISSY MARIE

there in the great outdoors, like at the movies, in the park, on the beach. We've never gotten caught, but there have been people around and sometimes they were watching. Nobody's reported us, so they must have liked the show!

FOX: Do you do it because it's a turn on for you?

Chrissy: Most of the time. Sometimes it's just a matter of circumstance and location. And I like the attention. That is what turns me on, not necessarily the sex. You can have better sex in the bedroom.

FOX: And now the obligatory questions most asked by our readers, do you enjoy anal sex?

Chrissy: Yep, most of the time. I know some girls don't even want to try it, because they think it will hurt. But you lube up and relax, and if you get used to it, it starts to feel good. Real good! I envy those girls that can cum easily doing it, or that can take it for long periods of time. That must take a lot of lube!!!

FOX: Do you like having your butt attended to and licked? Do you return the favor?

Chrissy: I love to having my ass licked. Who doesn't; and fingered and fucked. And I will return the favor with my finger or tongue. I especially like doing it to girls because I can relate and every one of them likes it. They seem more willing when it's a girl back there than a guy.

FOX: tell me something about yourself that might surprise some of our readers.

Chrissy: I like going to a farm and hanging out with the animals. They are so cool, and live in a whole other reality. I like the bigger animals most, like the cows and horses. I could watch horses all day long. Have you ever seen the dick on a full grown stallion? That's amazing!

FOX: Maybe I will, but in the meantime, please let me thank you again for a wonderful hour with you.

NICOLE

I've always been a tough one to pin down, except in the bedroom that is. I quickly lose interest in men. Note that I said men, not sex. I love sex with men, it's just some men I don't have much patience for. I like women, too, but there's just something about a real flesh and blood cock in me that I find really exciting. And I especially love it when they cum in the end!

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

SO YOU LIKE GIRLS

I live in a state college town and am regularly treated to a parade of gorgeous coeds, and let me tell you that Sarah blows them all out of the water. I can just see her now as a sorority mother, teaching her girls how to keep their faces and figures in tip-top form to impress men of all ages throughout their lives.

Sarah's luxuriously long, blonde hair with brunette highlights drapes her face in one of those modern, layered cuts, accentuating her deep blue eyes and pouty, full lips, the kind of lips you'd want wrapped around your cock for hours. I'm a breast man through and through, and Sarah's plump D+ cups overfloweth with robust sexuality. With a lot of women beyond their mid-thirties I've noticed quite a bit of sagging in the chest area. Not Sarah. Despite their great mass, her tits still hold tight to her body, her nipples standing perfectly at attention beckoning an awaiting tongue. If only they were pierced! And can anyone say 'motorboat'? Ha.

Okay. I'll admit this also... I'm into the whole shaved bush thing. Come on guys — tell me you really enjoy getting a mouthful of pubes when you go down on your girl... Sarah's pristine shaved pussy is a work of art. Her pussy lips are perfect, so perfect that they call to me. "Zach, Zach. Come stick your cock in me. I want to pleasure you!" My images of her with a dildo drive me out of my fucking mind. And then there are ones of her diddling her clit?

Thanks again for allowing me to vent about Sarah. Maybe one day I'll have the balls to go up to her, but for now

she'll be my spank-fodder for weeks, maybe even months. My friends will probably even wonder why I stopped leaving the house!

COLLEGE CRAP

My name is Mike and I am 22 and I'm writing to you because I love older women and very much appreciate seeing them in magazines. I guess my love for older women started back in college when I had a huge crush on my economics professor. She was beautiful. She had blonde hair and big blue eyes. She stood about 5' 6" and had these breasts that were way too big for her size. I'd often stare at her boobs wishing I could put my face between them and inhale her smell.

When she'd turn her back to the class, all the guys would give each other the thumbs up with a little wink. They were all thinking the same thing as me. We'd pass around video clips on Ben's cell phone of a girl that looked a lot like her and she was having sex with another girl. This is what I learn in college.

AND GIRLS LIKE GIRLS

My girlfriend Daria and I have a weekly "girl's night" ritual where we get together for dinner, share a bottle of wine or two, talk about our lives, and recap the week's events. Our husbands are very ac-

commodating, usually grateful to have an evening to themselves. This week was no different, except that it had been a trying week for Daria. She'd found a pair of panties under the seat of Ron's car and was none too thrilled about it. They'd be fighting non-stop, and tonight Daria spent most of the first part of the evening crying and trying to figure out what to do.

After dinner and bottle and a half of chardonnay, Daria and I sat on the couch idly flipping channels, the wine and food having taken the edge off Daria's heart pain. *Sex and The City*, one of our usual favorites, had only seemed to make her feel worse, and frankly neither of us were

in the mood for television at that point. Daria tossed the remote onto the coffee table and flopped her head down into my lap. As she curled up I stroked her hair comfortably. "You're such a good friend," she said. "Sometimes I wish I could trade Bill for you, only you're missing a major appendage." I laughed as Daria nestled in tighter, and contentedly I leaned my head back on the couch.

I was halfway to a nice wine coma when I felt a light touch on my inner thigh. My head snapped forward and I looked down to see Daria's hand caressing me. I assumed that she was being absent-minded, also in moderate haze. Her touch actually felt kind of nice. I lay my head back down and began to drift again. Then Daria's hand moved higher up my thigh, and I knew that she was more alert than she let on. Maybe it was all those episodes of *The L Word* that we'd watched together or those occasional times when we'd watch one of my husband's pornos. But whatever the case I'd become curious about having a lesbian encounter for a while now and waited to see what Daria's agenda was. I began to stroke her head more firmly, and she responded by doing the same to my thigh, all the while getting closer and closer to my rapidly moistening pussy.

Then it happened. Daria looked up at me as if to ask permission as she slid her hand underneath my shorts and went for it, her fingertips running gently over my panties and my pussy lips. I smiled at her and shifted my legs to facilitate her explorations, my wetness readily apparent. Daria dropped a hand to her own crotch and began to mirror her hand motions as the hand focused on me slipped beneath my panties, found my clit, and massaged it in circular motions. I grunted approvingly and reached a hand under her shirt and discovered her bra was a front-clasp. I popped it open and started fondling her breasts, squeezing and kneading them and teasing her erect nipples. "It's about time we did this," said Daria breathlessly, clearly enjoying our combined touch.

DARIA RESPONDED BY STUFFING HER FINGERS INTO MY PUSSY. THAT PUSHED ME OVER THE EDGE.

"Take my shorts off," I said. Daria wasted no time in undoing and removing my shorts and panties, upon completion burying her face in my pussy. I grabbed the back of her head and pushed her deeper into my crotch, her tongue darting in and out and around my snatch. As she sucked on my clit I rolled my hips to match her motions. On the verge of cumming I let out a moan. Daria responded by additionally stuffing two fingers up my pussy. That did it! I let go and erupted, my hips bucking wildly. Daria's tongue kept on lapping and she moaned too. As I began to settle down, our eyes met and we shared a sultry kiss, the taste of my pussy on Daria's full and pouty lips.

The rest of the evening was filled with blissful exploration. Naturally, I returned the favor, making Daria come more than a few times. We cleaned up and Daria left before my husband came home. I had a feeling girl's night was going to get a whole lot better!

turn to pay for my ticket, my credit card got declined. Embarrassed, I fumbled through my wallet for some cash but as luck would have it I didn't have any. At that moment the guy stepped up to the counter and told the clerk to make that two as he handed over his card. I was grateful to have the awkwardness ended, so I graciously accepted his advance. He got us some popcorn and some soda and we headed into the theater.

As we took our seats in the back of the near-empty house, I was nervous as we talked while waiting for the movie to begin. It turned out that we liked a lot of the same movies and also some of the same music. Soon his jokes and his charming demeanor put me at ease and I relaxed. Then the movie started.

While the movie was playing I'd see him occasionally glancing at me out of the corner of my eye. It was pretty apparent that he was into me, and I was digging him too. About halfway through the movie I blindly reached over for the popcorn bucket in his lap and missed, spilling the popcorn everywhere. Embarrassed again, I reached over to help him clean up the popcorn. To my surprise he had a raging hard-on tenting up his jeans. I looked at him and he smiled invitingly.

I don't know what came over me, but instead of moving to clean up the popcorn my hand made a beeline to his member. I started stroking him through his jeans, and he put his hand on my back and began to massage me firmly. Growing even more bold I unbuttoned his jeans and unzipped his fly. His rock hard cock jumped out through the hole in his boxers. I wasted no time in filling my eager hand with its thickness, deftly working my hand up and down his shaft and up over the tip. His hand was now in hair caressing my scalp.

My god, was this hot! I glanced out into the theater – the few in the audience were focused on the film. I popped out of my seat, dropped to my knees, and bent

down to take him into my mouth. My head bobbed up and down as I sucked his cock with intensity, running my tongue and lips over every inch of it. Then I sucked just the tip as I pumped his shaft with my hand. That did it for him and he let out a stifled moan, filling my mouth with his hot cum. I swallowed it all! Then I got back

went to my bank to check on my credit card. I tried it there and it worked fine. Clearly it was declined for a purpose, and so far that purpose has proven to be extremely pleasurable. I hope things work out with HIM. If not, at least I got a good story out of it.

in my seat while he put himself away. He put his arm around me and we finished watching the movie, popcorn still scattered everywhere.

After the movie we went back to his place and fucked our brains out. I woke up in his arms and that felt really good. After coffee, I
